Motion made Phil Tirrell, seconded by Don Cunningham.
Article carried.

ART. 5 To see if the Town will vote to authorize the Selectmen to harvest timber on Town land and to appropriate the sum of five thousand dollars (5000), to come exclusively from the sale of said timber, for the Conservation Commission, to accumulate in their fund from year to year and to carry on the functions of said commission. Motion made by Rudy Adler, seconded by John Fabrycky
Motion carried.

- ART. 6** To see if the Town will authorize the Selectmen to apply for, accept and expend money from the State, Federal and other government or private sources which may become available during the fiscal year, pursuant to RSA 31-95.
Motion made by Alma Richards, seconded by Harold Whiting.
Motion carried.
- ART. 7** To see if the Town will vote to appropriate six hundred and fifty dollars (650) to pay for the dumping of residential septage.
Motion made by Henry Frank, seconded by Rudy Adler
Motion carried.
- ART. 8** To see if the Town will vote to adopt written welfare guidelines as proposed by the board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. (copies of full text of the proposed guidelines are on file with the Town Clerk.)
Motion made by Ruth LeClair, seconded by Bob Jacobsen.
Motion carried.
- ART. 9** To see if the Town will vote to authorize the Selectmen to cost-share with landowners the expense of them hiring a professional forester to oversee timber harvests on their lands within the town. Said cost-share amount shall be determined by the Selectmen and shall not exceed 10% of the actual timber yield tax revenues paid by the landowner to the Town; and further to see if the town will vote to raise and appropriate one thousand (1000) dollars for this purpose.
Motion made by Ruth LeClair, seconded by John Fabrycky.
Motion defeated. The moderator called for a show of hands. The results were: No - 42 Yes - 37.
- ART. 10** To see if the Town will authorize the Selectmen to convey to the Yurgeles, from the Perkins Lot, the additional acres (4.4) needed to make-up the twelve (12) purchased by the Yurgeles in 1971. And to further authorize the Selectmen to draw up and execute such maps and documents as may be necessary.
Motion made by Dorothy Hathaway, seconded by Fran Jacobsen. After much discussion a motion was made by Jim Grenier to move that we vote and was seconded by Philip Howard. The article was defeated.
- ART. 11** To see if the Town will vote to oppose the burial, storage, transportation, and production of high level radioactive waste in the Town of Lempster, N.H., and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (D.O.E.) present plan to dispose of radioactive waste, and into the D.O.E. competence to carry out such a plan.
Motion made by Shelley Homan, seconded by Mary Grenier. After more discussion Henry Frank made a motion to amend Article 11 by deleting the words "and Production". Mrs. Ferland seconded this. Debate continued until Fran Jacobsen moved that we cease debate, seconded by Lori Earthrowl. The amendment was defeated.
More discussion followed. A motion was made by Phil Tirrell and seconded by Laura Richardson to cease debate. The motion carried and was followed by a hand count called by the Moderator. Yes - 76 and No - 10 in favor of the original article.

- ART. 11a** A motion was made by Myrtie Starkey and seconded by Henry Frank to reconsider Article 11 again with the phrase "and Production" removed. The motion was defeated.
- ART. 12** To see if the Town will vote to appropriate the sum of twelve hundred dollars (1200) for contribution to the Task Force of the Town of Hillsborough against locating a secondary High Level Nuclear Waste Repository at the Cardigan Pluton Site in N.H. A motion was made by John Williams and seconded by Dorothy Hathaway to reword the article by substituting the "Task Force of Lempster" for the "Task Force of Hillsborough". A Task Force in Lempster has been created since the Warrant was posted. The article as reworded was passed.
- ART. 13** To see if the Town will vote to appropriate three thousand (3000) dollars for work on the Town's Comprehensive Master Plan and to authorize the withdrawal of this sum from the Federal Revenue Sharing Account.
Motion made by Ralph Keeler, seconded by Don Cunningham.
Motion carried.
- ART. 14** To see if the Town will raise and appropriate five thousand (5000) dollars for the repair and reconstruction of the bridge at Crescent Lake.
Motion made by Madeline Ferland, seconded by Don Cunningham.
Motion carried.
- ART. 15** To see if the Town will vote to authorize the withdrawal from the Highway Capital Reserve the sum of five thousand (5000) dollars for the purchase of a Loader.
Motion made by Nathanael Keeler, seconded by Ronald Clark.
Motion carried.
- ART. 16** To see if the Town will accept for the Cemetery Trust Funds, the sum of one hundred (100) dollars in the name of Edward Kosotsky.
Motion made by Harold Whiting, seconded by Bob Jacobsen.
Motion carried.
- ART. 17** To see if the Town will vote to accept for the Cemetery Trust Funds, the sum of two hundred (200) dollars in the name of Theodore Wirkkala.
Motion made by Doris Adler, seconded by Lois Jacobsen.
Motion carried.
- ART. 18** To see if the Town will raise and appropriate the sum of twelve hundred dollars (1200) toward a survey at Long Pond.
Motion made by Phil Tirrell, seconded by John Fabrycky.
Motion carried.
- ART. 19** To see if the Town will vote to raise and appropriate the sum of five thousand (5000) dollars toward the construction of a transfer station and toward the closure of the landfill. Said sum to be placed in a trust fund as provided by RSA Chapter 31-19a, to be expended as deemed necessary by the Selectmen. The Selectmen are further instructed to execute, in the name of the Town, any and all documents necessary for the creation of said trust.
Motion made by Don Cunningham, seconded by Myrtie Starkey.
Motion carried.
- ART. 20** To see if the Town will vote to appropriate the sum of four thou-

sand dollars (4000) for the purpose of updating FIRE DEPT. PERSONAL PROTECTIVE EQUIPMENT to meet N.F.P.A. and O.S.H.A. requirements and to authorize the withdrawal of said amount required for this purpose from the Federal Revenue Sharing Account.

Motion made by Lois Jacobsen, seconded by Bob Olds
Motion carried.

- ART. 21** To see if the Town will vote to appropriate the sum of two hundred and fifty dollars (250) for Sullivan County Hospice, Inc. in support of their program of service to the terminally and seriously ill throughout Sullivan County.

Motion made by Doris Adler, seconded by Alma Richards.
Motion carried.

- ART. 22** To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount of taxes if paid within ten days of issue.
Motion made by Ricky Shepard, seconded by Nathaneal Keeler.
Motion carried.

- ART. 23** To transact any other business that may legally come before said meeting.

Alma Richards, as Trustee of the Trust Funds, wanted an opinion from the Town as to whether they thought it good to invest funds at good interest in investments like Certificates of Deposit. The funds in question would be those waiting for the approval of the Town to be accepted. The sense of the Town was a definite approval.

There being no further business the Moderator declared the meeting adjourned. Time 10:09 p.m.

Motion made by Tom Moore, seconded by Phil Tirrell.

Polls for Town Offices closed at 9:28 p.m..

Respectfully submitted,
Barbara Weir, Town Clerk

MISCELLANEOUS

FICA, Retirement & Pension Contributions	\$4,200.00
Insurance	20,000.00
Unemployment Compensation	225.00

\$24,425.00

Art. 7. To see if the Town will authorize the Selectmen to apply for, accept and expend money from the State, Federal and other government or private sources which may become available during the fiscal year, pursuant RSA 31:95b

Art. 8. To see if the Town will vote to appropriate \$42,964 for construction and reconstruction of Town Roads: 1 Mile Highland Road \$20,000
6/10 Mile Allen Road \$12,000
Several Sections Mountain Road \$10,964 to be funded by State Highway Block Grant.

Art. 9. To see if the Town will raise and appropriate seven thousand Dollars (\$7,000) for the repair and reconstruction of the Keyes Hollow Bridge.

Art. 10. To see if the Town will vote to appropriate Nine thousand Dollars (\$9,000) for the purchase of Lot 11-014,216 of seven (7) acres more or less on Lovejoy Road to be used as a Solid Waste Transfer Station and to authorize the withdrawal of this sum from the Federal Revenue Sharing Account.

Art. 11. To see if the Town will vote to appropriate the sum of three thousand Dollars (\$3,000) for the purpose of updating Fire Department communication Equipment and to authorize the withdrawal of this amount from the Federal Revenue Sharing Account.

Art. 12. To see if the Town will authorize the Selectmen to sell to the highest bidder Lot 17 at Long Pond with the building thereon, Lot 17-292,149. This is not a waterfront lot.

Art. 13. Shall we adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax?

Art. 14. To see if the Town will raise and appropriate the sum of five hundred dollars (\$500) to build a portable ramp that can be anchored to have the Town Hall conform to provisions of the Federal Voting Assessibility for the Elderly and Handicapped Act (PL 08-435).

Art. 15. To see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Nuclear Plant at Seabrook shall be stored or disposed of within the Town of Lempster unless and until the proposed site of the storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

Art. 16. To see if the Town will vote to appropriate the sum of one hundred Dollars (\$100) for the continuation of the Lempster Task Force for the event the search for a second Nuclear Waste Disposal Site is reactivated by the United States Department of Energy.

Art. 17. To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount of taxes if paid within ten days of issue.

Art. 18. To transact any other business that may legally come before said meeting.

Given under our hand and seal this 18th day of February in the year of our Lord nineteen hundred and eighty-seven.

Henry Frank
Everett Thurber
Rudolf A. Adler

COMMUNITY DEVELOPMENT BLOCK GRANT

Under this \$287,000 Federal grant supervised by the State, the Town is trying to eliminate blight conditions and to create safe and decent housing for low and moderate income households.

To date 17 applicants have been surveyed 16 of these dwellings have gone through the initial inspections. 14 of them had work write-ups completed and contracts between the owners and the Town were signed.

A contract for 9 septic systems has been awarded and work has started.

4 Mobile Homes have been purchased.

3 Dwellings are being rehabilitated by their owners under a "Sweat Equity" program.

2 Contracts have been finished and closed-out.

If enough interest exists, an effort will be made to obtain additional funds. Anyone who feels qualified as to income, whose dwelling needs work to make it safe that he or she can not afford is encouraged to contact:

Mr. Syd Lorandean at 863-7828 or 863-1510.

Strict confidence is assured.

REPORT OF THE BUILDING INSPECTOR

Thirty-eight building permits were issued in the Town of Lempster in 1986. The owner-estimated cost of construction totaled over six hundred and fifteen thousand dollars. Included in the total were fifteen year round dwellings, plus four mobile homes and three seasonal homes. The remainder consisted of additions, garages, sheds and barns.

The Board of Selectmen continues to be made aware of unpermitted construction including mobile home sitings. Failure to correctly register these buildings could result in substantial fines. Please contact me or the Town Clerk for an application form if you have not yet been issued a permit. Previously issued permits are invalid if construction has not started within six months of the original issued date.

Respectfully submitted,
Rudolf A. Adler
Building Inspector

REPORT OF THE FIRE CHIEF

The year 1986 was a busy one for our small department. We answered 29 calls for help. 19 of these calls were fire related and 10 were for rescue. An engine and the rescue truck respond to all motor vehicle accidents. Some of our firefighters have found it necessary to take courses in first aid and rescue procedures, because of the increasing number of rescue calls. 266 hours went into an Advanced First Aid course and 80 hours went into an Emergency Extrication class.

Several of our firefighters have taken State run classes in conjunction with Meadowood County Area Fire School in Fitzwilliam N.H. These classes are as follows.

60 hours of Tactics and Procedures of Engine And Ladder Co. operations. This class included actual fire situations where engine companies were made up of our firefighters and officers. These engine or ladder companies had to fight fires set in a "burn" building using the procedures taught to us.

Our firefighters also spent 40 hours in a class called Forcible Entry and Ventilation. In this class they learned how to open locked doors to gain entry to trapped victims and how to open a house to clear smoke and trapped gases to assist in rescue and fire fighting operations.

Overhaul and Salvage took 50 hours. This class taught the firefighter how to search out hidden fires and make sure the fire is out. Also how to reduce the damage caused by smoke and water.

20 hours went into Rescue Skills and Techniques, a course that teaches basic survival methods and ways to use ropes and harnesses to lower yourself or a victim out of a window or off a roof.

302 additional hours were spent in the firehouse learning pumps, tanker operations, and doing scenarios to help the junior officers sharpen their skills at being the fire ground commander.

Even with the many hours spent on training 3 of our fire fighters went on to become N.H. Certified Firefighters this year. This State run course is excess of 120 hours and is the level 1 firefighter.

383 hours went into actual fire and rescue calls. This is where the training really pays off. Several of the calls were to Marlow, Unity, and Goshen for structure fires.

1080 hours were spent on the administration of the fire department. This includes the record keeping required by ISO to keep us an accredited department. It also includes the daily obligations required of the officers to run the fire department.

The upkeep of the apparatus and the building took 583 more hours. The addition to the station is complete and hours have been spent completing our meeting room upstairs.

There is a certain pride and dedication that goes with belonging to a volunteer fire department. The hours are long and the rewards are small. I would say thanks to the firefighters for your trust and support and thanks to the highway department and others who have helped us make it safely through another year.

Philip Tirrell

FAST SQUAD REPORT

This year the members of the Lempster F.A.S.T Squad responded to 29 calls, 10 of which were medical.

We have spent many hours of training to stay updated on emergency medical and rescue techniques. Some of which was to have 6 members take an Advanced First Aid Class. We also had one member become an CPR instructor. The members of the Squad would like to thank those who supported our efforts this past year.

Respectfully submitted,
Robert Olds

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS-1986

Number Fires Statewide			840
Acres Burned Statewide			751
Cost of Suppression			\$275,956
District	27 Fires	32.25 Acres Burned	Cost \$7897.00
Town	2 Fires	4 Acres Burned	Cost \$1633.14

HISTORICAL SOCIETY REPORT

The Lempster Historical Society was established in 1977, to promote interest in the history of the town, to write a history, to preserve and display records, artifacts and pictures, and to help with the maintenance and care of historic property and sites.

Each year, in cooperation with the Old Home Day Committee, the Society sponsors a open house on Old Home Day in Aug. This year we enjoyed seeing the Rodier house on Dodge Hollow Road, formally owned by J. Walsh.

The Town Pound was checked out and it was discovered the hand made sign, stating builder and date, had been removed, and is still missing.

Ongoing projects include preserving old town papers, fixing up the East Lempster Hall for a historical museum, mapping old mill sites, and genealogical research.

The Society needs support and enthusiasm from all members, old and new.

Meetings are the 4th Wed. of Jan., April, July, and Oct., at 7:30p.m. in the Library. All are welcome.

LEMPSTER OLD HOME DAY

Lempster's Old Home Day is for all Lempster people who now live in Lempster or have lived in Lempster. It is for their friends too! Lempster's Old Home Day was started eighty-eight years ago. Originally there was an Old Home Week celebration. At that time Lempster's population was way down from its peak of 999 people before the Civil War. Over the years Old Home Days have been celebrated with people sharing memories of all kinds, including school reunions, plays, dances, skits, music, poems, house tours, fire department, planning board demonstrations, conservation trails, Grange dinners, church services, and refreshments. The Grange was instrumental in starting Lempster's Old Home Day Celebrations with plays, entertainment, etc.

Some contributing organizations have been the Lempster Historical Society, the Friends of the Library, Lovewell Mountain Players, East Lempster Community Church, school reunions, Fire Department #44, Jolly Farmer, etc. Anyone or group should feel free to be a part of Lempster's Old Home Day. Contact Olive Drew, secretary for the Old Home Day Assoc., Gilbert Pinkney, Master of the Silver Mountain Grange, or any other member of the Grange, Bruce Fairweather, president of the Historical Society, or Emily Fairweather, librarian, or just come to Lempster's Old Home Day and enjoy good company.

As we all know, today's events are tomorrows history, so Old Home Day belongs to all of us.

CONSERVATION COMMISSION REPORT

The year 1986 was an active year for the commission. To name a few of these activities:

On April 27 a bird walk was organized.

On May 3 a clean-up drive took place. This year the length of Lovejoy Road was covered. Unfortunately there was only a very small turn out, so that no other areas could be taken care of.

On Old Home Day, the commission sponsored, together with the Old Home Day committee a hike to the "Indian Cave" off Clothespin Road. A large group enjoyed this hike.

Progress was made on several of the Long Range plans of the Commission:

To carry out the Town Forest Management Plan a contract was entered into with Mr. Steve Soucy to work for two months on the Town Lands: In the area south of Long Pond Road thinning out of less desirable trees, to bring along more valuable ones, and at the Perkins Lot, south of Mill Road, harvesting of mature trees, mostly Pine. The work to be done while the ground is frozen.

The boundary survey at the Long Pond development, voted on at Town Meeting, was contracted for however the heavy snow prevented the field work to get under way.

Establishment of a Nature preserve on lands north of Long Pond Road: Discussions were entered with trustees of the John P. Wright Trust to exchange some 43 acres of land they hold, which includes the northern half of Duck Pond for some 50 acres the Town owns south of Long Pond Road and east of the Swamp, which is accessible only through Wright's Land or from the Washington side. The commission hopes to have a proposal ready for a vote for Town Meeting 1988.

the commission would welcome more participation by the people of Lempster. All meetings are open to the public and any suggestions, ideas or concerns regarding the environment will be seriously considered.

We meet the 2nd Tues. on each month at 7 p.m., in Selectmans office.

Lempster Conservation Commission

MINER MEMORIAL LIBRARY TRUSTEES REPORT 1986

This has been quite a busy year for Miner Memorial Library. Old Home Day was again celebrated by the library by opening its doors on Sunday, July 27, 1986 and participation in the church fair on August 30 was marked by a book sale.

In the spring our window boxes were filled with flowers donated by Ken and Sue Roberts.

As always, we extend our thanks to the Friends' group for their continuing support. The friends' of the library contributes each year to the maintenance and upgrading of the facility as well as book donations. They meet on the 3rd Monday from April to November and welcome any interested persons to attend their meetings.

The trustees have spent many hours developing a much needed library and personnel policy which will serve as a guide for future trustee boards.

Book buying trips to the Dartmouth Bookstore and the 5 College Book Sale and many small purchases and donations enabled us to add 670 additional titles to our shelves. Our librarian, Emily, has been diligently cataloging titles and welcoming new patrons.

Several town committees have continued to use the more than adequate meeting space available in the library.

The trustees and the librarian again wish to invite you to visit and use your library. It is open Monday and Wednesday 3 - 8 pm. We take pride in the wide variety of reading materials our librarian has accumulated for your enjoyment. There is something of interest to read for everyone.

Celestine Wiggins has resigned from the board as she no longer can fulfill the residence requirement to hold a town elected position.

Lorynda Earthrowl
Laura Strout

PLANNING BOARD REPORT 1986

The Lempster Planning Board saw much subdivision activity in 1986. The board approved four plats. The Hanson 6 lot subdivision on the 2nd NH Turnpike in Lempster and the Patton Corp. 5 lot subdivision on South Road were each approved in June. In November, Martancik and Laskowski's 3 lots on South Road and Forest Management's 2 lots on School Road were approved. Several other proposals were presented and were either rejected or not completed by year's end.

The Board was very busy with the Master Plan. Three public hearings were held for six of the plan's chapters. The "Historic Resources" and "Population" chapters were completed and adopted in March. The "Economic Development" and "Open Space and Recreation" chapters were adopted in April and the "Community Facilities" and "Housing" in September. The two remaining chapters, "Land Use" and "Roads and Transportation" were nearly completed by the end of the year.

On behalf of the Board I would like to thank everyone that has contributed to the Master Plan. We could not have done without your help.

The board meets every 2nd Monday at 7:30 p.m. at the Selectmen's office in E. Lempster. We invite any interested citizens to attend.

Respectfully submitted,
R. Mark Adams
Chairman

SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT 1986 ANNUAL REPORT OF ACTIVITIES

Construction of the Signal Environmental Systems, Inc. waste-to-energy facility is nearing completion. Based on the current schedule, Signal expects to begin accepting waste for test purposes by the end of February, 1987 and to begin commercial operation during May, 1987.

Changes to the facility, because of new State regulations, include dry lime scrubbers and fabric filters to meet new acid gas emission standards and auxiliary burners to control trace organic emissions during start-up. The cost of constructing and operating this new control equipment will add over seven dollars per ton to disposal costs.

The permit application for an ash landfill on land owned by the Sullivan County District in Newport, New Hampshire was filed with the State in September 1986. It is expected that the permitting process, including any appeals by opponents, should be completed during 1987. Discussions have been held with Browning Ferris Industries to use a newly lined section of the Rockingham, Vermont landfill in the interim.

A Recycling Project Manager was hired in March, 1986. During May, 1986, household hazardous waste collection days were held in Springfield, Vermont and Claremont and New London, New Hampshire. Eighty barrels of material were collected from citizens and schools in the two Districts. This fall, the access road to the waste-to-energy facility was paved with asphalt, using 120 tons of recycled glass collected from the Districts and other recycling facilities.

A report illustrating potential cost savings associated with recycling in each member town was completed, and meetings with interested town officials are on-going. It is hoped that during 1987, citizens and businesses will have the opportunity to recycle glass, metal, newsprint and cardboard at various locations throughout the District.

Removal of trace metals is also a priority for recycling because these metals may cause unacceptable air emissions when burned and increase metal concentrations in leachate from the ash landfill. Signal has provided the Districts with a \$2500 grant to begin a household battery recycling program. Discussions are being held with battery retailers about providing containers to collect used batteries for recycling or disposal in a proper manner.

This coming year will be a difficult one as the District and Towns switch from the old system to the new one. The District Committee and staff will be working to make the transition as smooth as possible. If anyone has questions or suggestions, they should not hesitate to attend District meetings or contact their District Representative or the Project office.

Respectfully submitted,

NEWPORT AREA HOME HEALTH AGENCY TOWN OF LEMPSTER REPORT

Throughout 1986 the Newport Area Home Health Agency continued to provide high quality, professional nursing, physical therapy, occupational therapy, and speech therapy services plus paraprofessional home health aide services to homebound patients throughout its service area. Well child services including immunizations and physical exams, dental clinics, and safety carseat loans were extensively utilized. Blood pressure screening and influenza immunization were methods used to promote good health in the adult population. The registered physical therapist conducted an 8 week flexibility and posture class at the Newport senior center.

In keeping with its commitments to provide comprehensive health care services to towns the Newport Area Home Health Agency developed a home assistance program (HAP) to provide aide, companion, and nursing services to patients not eligible for medicare or other insurance coverage. The fee for these services is billed to the patient and/or their family.

The year 1986 was a trying one for Newport Area Home Health Agency and other home care providers as the State and Federal Government attempted to initiate cost containment measures despite the growing recognition of the importance of home health to reduce hospitalizations. In March through September 1% of every Medicare billing was deducted from Home Health Agency payments under the Gramm-Rudman amendment. This meant that the town appropriations were used to fund a portion of every visit to a Medicare patient during 7 months of 1986. In addition, Medicaid reimbursement to care for low income patients was changed from a per visit to a per unit reimbursement in May resulting in less than full recovery of costs for services. Again town appropriations were used to fund a portion of every visit to a Medicaid patient.

Therefore, your town appropriations serve as an "insurance" that essential nursing and clinic services continue uninterrupted to those residents who are in need of care.

Your support and confidence in our agency makes it possible for Newport Area Home Health to continue to provide cost effective home health care.

We wish to thank the staff, Board of Trustees, and volunteers who made the provision of excellent care in 1986 possible. Special public thanks are sent to Mrs. Connie Mountain who "resigned" as a well child clinic volunteer after serving at 109 clinics since she began in 1977!

Respectfully submitted,

Charen L. Urban. MA
Administrator

LIST OF SERVICES PROVIDED . . .

Nursing 60
Physical Therapy 2
Occupational Therapy
Speech Therapy
Home Health Aide
Maternal & Child Health 7

A total of approximately \$3,035 worth of health care services were provided to residents of the Town of Lempster in 1986.

Additional Services Not Separated By Town Were:	
87	Children were seen in Dental Clinics
349	People were seen at Blood Pressure Clinics
68	People were immunized at Flu Clinic
325	Children were seen in Well Child Clinic

The value of immunizations and other clinic services is over and above the value of patient visits above.

UPPER VALLEY LAKE SUNAPEE COUNCIL

The Upper Valley Lake Sunapee Council is a public, nonprofit voluntary association. Lempster sends two representatives to participate on the Board of Directors each year.

The Council has provided a number of specific services to the Town of Lempster over the past year. After preparing a successful \$293,400 grant application on behalf of the Town, the Council has administered the housing rehabilitation program which seeks to improve substandard housing conditions.

During this year the Council has worked with the Planning Board and Master Plan Committees to complete a Master Plan for the town, including the drafting of a base map, existing land use map, and topographic and soils maps.

The Council prepared the nomination of the Lempster Street residential district to the National Register of Historic Places and also provided the town with sample excavation regulations and copies of law lectures.

LEMPSTER TASK FORCE

The Lempster Task Force was composed of approximately 15 active members as well as numerous other individuals who assisted in the collection and distribution of information pertaining to New Hampshire as a proposed Nuclear Disposal Site. Many meetings were held during the four months of collecting and compiling information about Lempster and the potential impact of a Nuclear Disposal Site on our environment. On March 29, we launched our

"Balloon Project" from Lempster Long Pond, releasing 1,000 purple balloons to symbolize the potential fallout resulting from a hypothetical accident of nuclear waste in transit or leakage. Much favorable publicity was realized by the coverage of the event by two television stations and several newspapers, revealing our feelings and concerns of a Crystalline Repository Project.

Additionally, several Lempster residents spoke at the Department of Energy hearings held at New England College on April 1. The document created from all the data collected and compiled was submitted to the hearing committee at that time. Much thanks is due to the many individuals who donated time, envelopes, duplicating, money, stamps, ideas and energies to the cause. It should be noted that the current status of the Project is that it "has been postponed indefinitely", leaving the Task Force indefinitely concerned! Consequently, the town article for the continued existence of the Lempster Task Force.

An accounting of the finances of the committee are below:

Amount allocated	\$1200.00
Donations	130.00
Total	\$1330.00

Expenses:

Balloon Project (Helium, valve rental, balloons, signs, etc.)	\$183.68
Communications (Paper, duplication expenses, stamps, envelopes, labels)	\$157.70
Total	\$341.38

Balance \$988.62

Respectfully submitted,
John R. Williams

REPORT FROM THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goshen-Lempster School District

Research shows that the role of parents in the education of their children is extremely important. The following research findings were taken from **WHAT WORKS - RESEARCH ABOUT TEACHING AND LEARNING** which was developed and printed by the U.S. Department of Education. I cite these again to emphasize the role the family, specifically the parents, must play in the education of their children.

- 1) Parents are their children's first and most influential teachers. What parents do to help their children learn is more important to academic success than how well-off the family is.
- 2) The best way for parents to help their children become better readers is to read to them — even when they are very young. Children benefit most from reading aloud when they discuss stories, learn to identify letters and words, and talk about the meaning of words.
- 3) Children improve their reading ability by reading a lot. Reading achievement is directly related to the amount of reading children do in school and outside.
- 4) A good way to teach children simple arithmetic is to build on their formal knowledge. This is why learning to count everyday objects is an effective basis for early arithmetic lessons.
- 5) Children who are encouraged to draw and scribble "stories" at an early age will later learn to compose more easily, more effectively, and with greater confidence than children who do not have this encouragement.
- 6) A good foundation in speaking and listening helps children become better readers.
- 7) Many highly successful individuals have above-average but not extraordinary intelligence. Accomplishment in a particular activity is often more dependent on hard work and self-discipline than on innate ability.
- 8) Belief in the value of hard work, the importance of personal responsibility, and the importance of education itself contributes to greater success in school.

The addition of the kindergarten at the Goshen-Lempster School has certainly improved the educational program for the students. This leaves three areas which prevent the school from being designated in the highest category (IA) by the State Department of Education. The Goshen-Lempster School is currently designated in category II. The three standards which are not currently being met are:

- 1) guidance services which would require the services of a part-time guidance counselor
- 2) the services of a certified part-time librarian
- 3) class size - The State Elementary Standards indicate the class size in grades K to 2 shall be 25 or less and 30 students or less in grades 3 to 8.

The School Board is working with a Citizens' Building Needs Committee to present proposals to the School District at the Annual Meeting on March 14, 1987. Included in the proposed budget for 1987-88 is the addition of two teachers which along with some building program will alleviate the crowded

conditions which the school is now experiencing.

I Want to thank all of those who have contributed to the success of the school; particularly the teachers and the School Board who by their efforts are instrumental in the education of the students in the school environment.

Respectfully,
John H. Sokul
Superintendent of Schools

PRINCIPAL'S REPORT

1986

The Goshen-Lempster Cooperative School made another progressive step this year with the introduction of a Kindergarten program. The school now offers youngsters the opportunity for experiences in learning and social interaction that provide for a smoother transition from the home to the school. Mrs. Francis Smith, the Kindergarten teacher, is effecting a curriculum which guides her students through growth in physical movement (fine and gross motor skills); perception (visual, auditory and tactual); patterning (visual, auditory and kinesthetic); concrete concepts (using manipulatives to build the necessary foundation for later abstract experiences); and oral and creative expression (through story telling, music, art, and activities such as cooking). In addition, the school system will become more efficient and effective by being introduced to the child at an earlier stage of development. The strategies for a student's educational plan will be in place by the start of first grade, and possible special education needs may be addressed sooner.

There were very few staffing changes for the new school year. Due to an increased student enrollment, aides had to be placed in several classrooms. Mrs. Barbara Chadwick assists Mrs. Rickard in grade one, and Mrs. Linda Janicke divides her time among Miss Bradeen's and Mrs. Lord's classrooms. The only faculty change was Mrs. Donna Moul of Goshen replacing Mrs. Jan Struble as Art Teacher. Mrs. Moul is doing an excellent job creating many art activity projects such as an International Art Exchange; the students have exchanged their projects with schools in Scotland, Costa Rica, New Mexico, Florida, Missouri, Arizona and Texas. Mrs. Moul also introduced Art History into the curriculum, and she began an annual quilt raffle with grade 3/4 (the quilting was done as an art project). The students are fortunate to have such a talented and dedicated art teacher.

The Goshen-Lempster School had a productive Nineteen Eighty Six due to the effectiveness of high caliber people who are dedicated to the idea of a quality school. Volunteer parents, as classroom aides, and support groups (P.T.C.) gave their time unselfishly to enhance the quality of the school. The P.T.C. has conducted many fund raisers (Thanksgiving basket, First Aid Kit drive, students' Christmas bazaar, etc.) to raise money for gifts to the school (playground equipment, classroom materials, VCR, etc.) Our support staff (kitchen, maintenance, transportation and health) are key personnel, efficiently providing the human needs which are essential to the daily function of the institution. The administrative staff (School Board and S.A.R. #43) ensure that all functions of the school are integrated harmoniously. The educational staff (teachers, specialists and librarian) proficiently conduct their duties, resulting in a high degree of effectiveness with their students. In addition to the routine curriculum, they provide such enrichment experiences as field trips, plays (in and outside of school), concerts, project fairs, visiting lecturers (International Four-H Youth Exchange), and school wide demonstrations (ie. Last spring, Mr. Ekstrom's students, in conjunction with a science project, launched many of their home made rockets as parents, teachers and students looked on.)

On the evening of May 28, Mrs. Rudenfeldt conducted a Spring Concert at the Lempster Town Hall. Mr. Ekstrom's fourth and fifth grade students performed a Recorder Bell Ensemble. Members of the sixth and seventh grades created a Medicine Show, consisting of a variety of musical and dramatic skits. The Chorus (members of the sixth, seventh and eighth grades)

performed a medley of choreographed selections from the Broadway show **Annie**.

The annual Goshen-Lempster School Science Fair was held on May 20. Parents viewed the various projects and decided on the best of the presentations in each of three categories. The Parent-Teachers' Club provided cash prizes and certificates of award for the winners. Those projects receiving mention were:

Grade 1 & 2:

- 1st - Daniel Sherman (Trees)
- 2nd - Kent Stetson (Bean Sprouts)
- 3d - Evelyn Moul (Tadpoles)p

Grades 3, 4 & 5:

- 1st - Paul Johnson (Soap Sculpture Garden)
- 2nd - Josh Janicke (Deciduous Trees)
- 3rd - Hillary Smith (Levers)

Grades 6, 7 & 8:

- 1st - Mary Smith & Kim Depoyster (Grist Mill)
- 2nd - Edward Anderson (Ways of Working With Water)
- 3rd - Mario Cusanelli (Equipment & Techniques of Firefighting)

On the evening of June 18, the Goshen-Lempster School graduated sixteen Eighth Grade students. Honors were granted to Stephanie Faulkner (Valedictorian), Glen Contois (Salutatorian), and Leo Goyette (Third Honors). Invocation and Benediction were given by the Reverend Lilian Warner; diplomas were issued by School Board Chairman Robert Seavey; and awards were presented by P.T.C. President Mary Walter, Ms. Jean MacWilliams and Principal Bonfiglio. The P.T.C. and mothers of the Seventh Grade students prepared a reception for the graduates.

The results of the state mandated 1986 California Achievement Tests for grades, four and eight gave us some interesting data on a comparative level with national results. The following statistics are national percentiles which indicate the percentage of students of the same grade level nationwide that scored below our students. While considering these statistics, one should note that the percentages are class averages; all students, including those coded for special education, were involved in the testing.

	Grade 4 (23 students)	Grade 8 (21 students)
Reading		
Vocabulary	32.0	68.0
Comprehension	42.0	61.0
Total	33.0	68.0
Language		
Mechanics	55.0	55.0
Expression	33.0	51.0
Total	43.0	53.0
Mathematics		
Computation	58.0	91.0
Application	51.0	89.0
Total	54.0	88.0
TOTAL BATTERY	48.0	69.0
Word Analysis	39.7	----
Spelling	31.0	63.8

Study Skills	54.3	60.0
Science	49.5	84.0
Social Studies	54.0	77.0

The differences between scores among groups can be the result of several influencing factors, the most prominent factor being the average cognitive ability of the groups. As can be seen, our fourth grade students scored 48% on the total basic battery, placing them nearly in the middle of the nation's fourth graders. Our eighth grade students scored better than 69% of the country's eighth graders. It should also be noted that they scored in the upper quartile (top 25%) in Mathematics, Social Studies and Science.

The current dominant focus in the Goshen-Lempster School District is the phenomenal population growth. At the close of the 1985 - 86 school year, the school housed 147 students. By the end of 1986, the school had 185 students, reflecting a 26% increase. Even with the exclusion of the fifteen kindergarten students, the increase of students in grades one through eight is nearly 16%. Projections for the near future are not encouraging. The lower grades have more students than the upper grades, and this appears to be a trend. The first grade classroom now contains thirty-two students, while the eighth grade will only graduate twenty-one students next June. The dilemma is being carefully considered by the School Board and concerned members of the community. The dedication of these people will be instrumental in leading the Goshen-Lempster School District into meeting this coming year's challenge.

Respectfully submitted,
John Bonfiglio
Principal

REPORT OF THE DIRECTOR OF PUPIL PERSONNEL SERVICES

Special Education services are available to every student in the Goshen-Lempster Cooperative School District. The Goshen-Lempster School has a pupil placement team consisting of the child's classroom teacher, nurse, special education teacher, and building administrator. When a child is in need of special education services, the team together with the parents plan and develop an individualized educational program designed to meet the educational needs of the student.

The Goshen-Lempster Cooperative School District has sixteen handicapped students. Approximately 65% of these students receive their special education services in the resource room located in the Goshen-Lempster School. Most of these students have specific learning and language disabilities. The remaining 35% attend special education programs at Keene and Newport High School.

School Administrative Unit #43 is currently in the process of establishing a regional special class for emotionally handicapped students. This class will be located at Sunapee Elementary School and will serve children between the ages of six and ten.

In closing, I want to thank our teachers, parents, and School Board members for their continued support for our exceptional children. I encourage you to visit your local school's special education programs as well as our regional School Administrative Unit programs located in New London (Pre-School), mentally retarded (Newport), and emotionally disturbed (Sunapee). Please drop in and see first-hand the excellent work our teachers are doing in educating your special children.

Robert B. Prohl
Director of Pupil Personnel Services

THE STATE OF NEW HAMPSHIRE

NOTICE: Polls open from 3-8 p.m.

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the 14th day of March 1987 at 3 o'clock p.m. to act upon Articles 1, 2, and 3 the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining Articles in the Warrant. (Articles 4 through 10.)

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a member of the School Board from Goshen for the ensuing five years.

To choose a member of the School Board from Goshen for the ensuing three years.

To choose a member of the School Board from Lempster for the ensuing four months.

ARTICLE 3. To choose an Auditor for the ensuing year.

ARTICLE 4. To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

ARTICLE 5. To see if the District will vote to raise and appropriate the sum of \$773,079.00 as recommended by the School Board, for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$40,391.00.

ARTICLE 6. To see if the District will vote one of the following to relieve the overcrowding in the school:

1. To raise and appropriate \$20,800 for the purpose of leasing and installing two portable classrooms.

2. To raise and appropriate \$39,000 in order to expand the current Activities Room into two legal-size classrooms.

3. To appropriate \$99,500 for Capital Improvements consisting of an addition of two classrooms, site development and any other items incidental to and necessary for the project, and to authorize the School Board to borrow such amount pursuant to the Municipal Budget Act RSA Chapter 33. (A vote to borrow money requires a two-thirds majority of all members present and voting at the Annual Meeting.)

ARTICLE 7. To see if the District will vote to raise and appropriate the sum of \$47,665 in order to; employ two additional teachers, purchase supplies, equipment and other items necessary to the operation of two additional classrooms. (This Article to be voted on only if one of the items in Article 6 is passed.)

ARTICLE 8. To see if the District will vote to indemnify and save harmless, for loss and damage, or violation of the civil rights of an employee, teacher or student; all school officials and employees, in accordance with RSA 31:105 and RSA 31:106.

ARTICLE 9. To see if the District will authorize the School Board to make application for, to receive and spend in the name of the District, such advan-

ces, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local or private agencies as outlined in RSA 198:20-b.

ARTICLE 10. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS at said Lempster this 5th day of February 1987.
